

Thank you for registering for the Citizens Bank Pell Bridge Run! In order to put on this event, we must comply with strict time constraints and appreciate your cooperation and respect for our requirements. We understand that the early start time, shuttles, and the point-to-point nature of the race adds unique challenges. We particularly ask for your attention in adhering to your shuttle assignment in order to get everyone to the start line on time. Please allow yourself plenty of time on race morning.

You must bring a photo ID to packet pick up. You will not be given a bib without identification due to security reasons. If you plan to pick up bibs for multiple participants you must have a photo copy or photograph of their ID to do so.
